# DOMINO FAIRMONT PAVER

## *Fewer pieces achieve multi-stone look*

Valestone Hardscapes Domino Fairmont paver has all the features you want in a premium, top quality paver. Give your patio or walkway the beauty and texture of a multi-stone slate finish with minimal effort.

The unique one-sized three stone collection features deeply embossed joints to create the look of five different stones that are incredibly easy to install and don't require a pattern for laying. They look great no matter how you put them down.
